Building the Solar World with Technology & Wisdom

Techwise Solar Technology Co.,Ltd.

 Rudong County, Nantong City, Jiangsu Province

ABOUT US

Techwise Solar Technology Co., Ltd. is a company specialized in providing solutions of solar power generation by efficiently utilizing solar energy. We are a new energy solution provider integrating researching, producing, marketing, constructing, operating and maintaining.

We have multiple new intelligent production lines that can realize fully automatic production like lossless laser cutting, millimeter level tack soldering, automatic type-setting, intelligent equipment testing, etc. With annual production capacity of 1GW, our current production lines cover production of solar panels including cell sizes of 166、182P、183.75N、210R、and 210N. We have realized the production of Perc, TOPCon and Bifacial glass panels. We can also provide customized service. We have achieved certificates like TUV、CE、ISO、CGC, etc.

We carefully select raw materials and suppliers, and strictly obey the product quality standard. By virtue of excellent product quality, continuous technology innovation, and professional service, Techwise Solar has been approved by both domestic and overseas customers. We have been keeping long-term cooperation with Tier 1 brands universally, providing professional ODM/ OEM service, and won a good reputation in the solar industry.

NEW PRODUCTION BASE

 **1GW+**
Annual Production Capacity

 **18 Years**
Experience In PV Module Manufacturing

 **18GW**
Global Cumulative Shipment

OUR ADVANTAGES

Solar Panel Manufacturer

Professional ODM/OEM

Quality Assurance

High Cost Performance

Low MOQ, Fast Deliver

TUV/CE/ISO Certificate

Free System Design

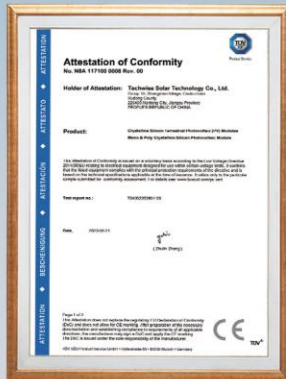

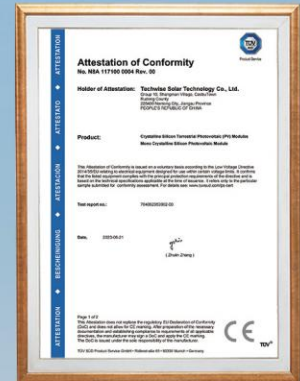

Best Service

**Core

PROJECTS

① China, Rudong 20MW Industrial Roof Top PV Plant

⑤ Spain, Valencia 100KW House Roof

② Germany, Ueckermunde 3.7MW PV Plant

⑥ Germany, Humptrup 4MW PV Plant

③ Germany, Edewecht 10MW Ground Mounted PV Plant

⑦ Germany, Nisdorf 4MW Ground Mounted PV Plant

④ Australia, Sydney 24KW Single House Roof

⑧ China, Rudong 15MW Roof Top PV Plant

PRODUCT PRESENTATION

High quality and efficient products

Meet the diverse needs of customers

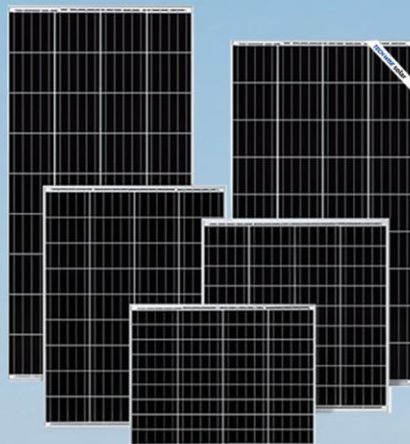

Product Feature

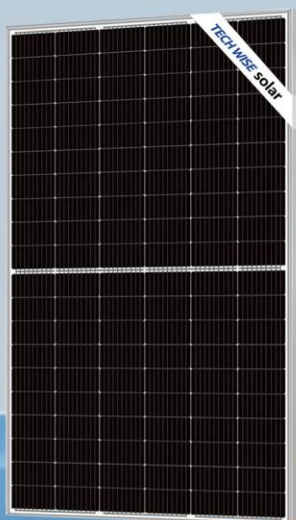

- High Power Efficiency
- Lower Heat Spot Risk
- Resilient To Extreme Weather
- Excellent Low-light Performance
- Certificate : TUV, CE, CGC
- 15 Years Product Warranty
30 Years Linear Power Warranty

PRODUCT SUMMARY

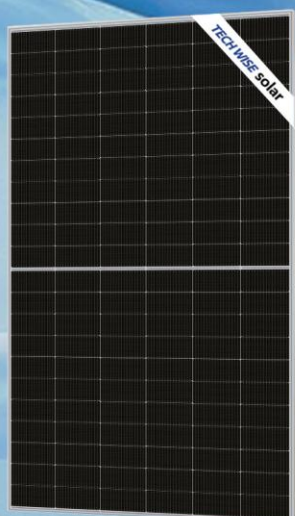

Micro Sun Series
(20-360W)
